Description: It's simple: follow the illustrated prompts and read the English words out loud, and soon you'll be speaking Chinese. This handy, easy-to-read language guide is easy to carry and gives the basic phrases you need while traveling, asking directions, or ordering food at a restaurant. It also includes phrases for medical or legal emergencies, as well as...

Review: Okay, so it was silly of me to bring this as my only translation book through China. Its more of a coffee table book than a functioning book. What I really liked about it was that I easily remembered the words I did learn and pronounced things fairly correct because of the book. The downside was it didnt have many words that would have really come...
